

National Care Award For Services To Industry

Bison Management UK

Bison Management UK, the Borehamwood based Immigration and Overseas Recruitment Consultants, have scooped the 2006-2007 National Care Award for Services to Industry.

The Corporate Times sends its heartiest congratulations, the Directors are proud to be associated with such a forward thinking company which is doing its utmost to provide high quality, overseas staff to nursing and care establishments in the UK.

Cynthia Barker, the registered Care Manager was delighted by the news. She said: "It is wonderful to receive recognition for all the hard work we have put in over the last eight years. I am especially happy for the team who really do their best to help employers and candidates. They will be thrilled by this award, thank you Corporate Times."

Founded in 1998 By Charles Kelly and Cynthia Barker, Bison Management specialise in providing well-qualified, experienced and enthusiastic overseas nurses and other healthcare professionals to fill care sector jobs all over the UK. The company matches employers needs with the right staff, which may come from overseas or from within the UK. They are regulated by CSCI and the OISC and have achieved the coveted Investor in Peoples Award.

As a potential employer approaching Bison Management you will be guided through the whole process. The company invites you to send your healthcare job specifications, via email or fax, or book a fact finding consultation at your premises. Bison Management are happy to provide any

information or guidance on work permits and visas and many of their clients are now outsourcing their legal work to Bison.

Charles and Cynthia have written a book *How 2 come to the UK*, which is as easy-to-follow guide to work permits, visas and the various ways of working or studying in the UK.

Bison Management fully support both potential employers and employees with immigration matters, dependent visas, immigration forms, work permits, visas and immigration appeals. The list is endless- but with Bisons help, everything is achievable.

Bison Managements existing client list is impressive and includes: NHS Hospital Trusts, private hospitals and clinics, care homes, domiciliary and home care facilities, private individuals requiring carers, learning disability and rehabilitation centres. The team of ten staff source experienced and qualified nurses and carers from The Philippines, India and various other countries around the world to obtain the best care staff possible.

Events and seminars are regularly arranged to provide both employers and potential employees with a wide array of information about the whole process and the support given to both, by Bison Management.

Charles Kelly regularly speaks at industry events and recently delivered his talk, *Are You Employing Staff Illegally* at the NEC Care Show.

He writes a regular column in a number of magazines, publishes a weekly email newsletter at www.immigrationmatters.co.uk and campaigns for a fairer work permits system for the care industry.
